## Tiger Shark Studios: July 2012

We are growing in size and strength. June was an amazing month which saw us top 500 visited cities world wide. Much appreciated. We also completed construction on the Mega Car Pack, Omicron Sigma Task Force.

Work on our other merchandise streams are progressing nicely. Plus we are hiring.

If your interested in contributing to our growing portfolio then drop us a line at

We are very excited to bring this pack to our website. Over 40 texture maps as well as all the psd files to allow the creation of your own texture maps. The five jet fighters have interchangeable wings which allow for unique and interesting flight configurations.

Available on our website's asset store. <http://www.tigersharkstudio.com/page3/>

Thanks for the continued support, See you all in August/ September.

## More Cities join our ranks! 500 Awesome.

Tiger Shark Studios website traffic breaks the 500 Cities barrier. As of writing this we are at 533 cities and growing. Our page visits have broken 6000 pageviews, currently at 6567. This is wonderful news, and is encouraging to help our team grow.

Thankyou to all our fans, customers and supporters, it's greatly appreciated. We'll be bringing you more soon.

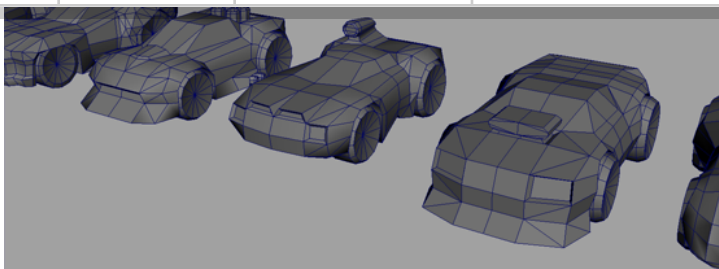

## Omicron Theta Pack is coming.

Work on this pack is progressing nicely, Textures maps and renderings are scheduled for August.

This pack is shaping up to be our largest to date.

Currently sitting at 15 assets. We are also working with third party developers to bring you some added extras with every purchase. Stay tuned.

## Mega Car Pack Updated

Expect to see the new car pack very soon, we are in the process of adding a few more cars to this pack. Also working on some unique graphic decals that will only be available on our website and will not be available on the Unity asset store at present. Make sure you visit our website for updates on this exciting asset pack.
